Certified Customer Satisfaction

ABET LAMINATI has achieved certification for ISO 9001 – the International Standard for a Quality Management System which meets customer satisfaction. It is ABET's intention to live up to this certification by :

- Shipping most customer orders within 24 hours
- Offering technical data through its web site and toll free number
- Offering quality, design-driven laminates at competitive prices

“There is no higher standard for customer satisfaction.” states Tony Damiano, president, ABET, Inc. “We have taken a back seat to no one in design. This puts us at the forefront in service as well.”

ABET LAMINATI continues to be the leader in high pressure laminate design. All products are available at ABET's U.S. distribution centers as well as local distributors across the country. For further information call 1-800-228-2238 or 201-541-0700, fax 201-541-0701 or visit us at www.abetlaminati.com to order samples.
